A \$100 nonrefundable deposit per group is required with registration prior to placement in group(s). Final balance is due prior to first group meeting. Services are billed at our hourly group therapeutic rates (\$57 to \$67 per hour) based on actual number of group participants. The Half-Day Literacy Boot camp is billed at a group rate of \$30 per hour for the intensive two-week program. Please make checks payable to SLLS. Necessary forms will be mailed and, if applicable, a screening or consultation will be scheduled.

SLLS reserves the right to limit, cancel, or consolidate groups. Refunds, including the deposit of \$100, will only be given if a group is cancelled or does not meet minimum enrollment. No refund will be given for a student who withdraws from groups after the summer program has begun.
