National Collegiate Speech and Hearing Pathology Award  
U.S. Marine Corps Scholarship Foundation Award Winner - 5 years  
Delta Zeta Founders Memorial Scholarship  
Alpha Phi Sigma Scholastic Honorary Fraternity  
Iowa American Legion Scholarship “Outstanding Girls Stater”  
American Legion Auxiliary – Lifetime Member

## **PROFESSIONAL EXPERIENCES:**

**September 1989 – present**

**Speech Language Learning Systems, Inc.,**  
Owner and President of SLLS, Inc.  
Chesterfield, MO

**March 1998 - present**

**Language Pathways, Inc.**  
CEO and Co-Founder of Educational Publishing Company  
Chesterfield, MO  
Publications include: *Pathways for Learning*  
*Pathways for Grammar and Writing*  
*Pathways for Social Reasoning*  
*Pathways for Learning II*

**August 1992 - August 1994**

**St. John's Mercy Child Development Center**

Speech-Language Pathologist St. Louis, MO

**August 1988 - August 1992**

**Special School District of St. Louis County**

**August 1994 - June 1995**

Speech-Language Pathologist; Language/Resource Itinerant

Rockwood School District

-Green Pines Elementary

- Pond Elementary

- Kehrs Mill Elementary

- LaSalle Springs Middle School

Speech-Language Diagnostician; Summer Diagnostic Teams

**Special Non-Public After-School Program (SNAP)**

Speech-Language Pathologist; Speech Language Itinerant

Private and Parochial Schools – West County area

**May 1988 – July 1988**

**University of Missouri Columbia Hospital & Clinic**

**Rusk Rehabilitation Center - Student Intern**

**January 1986 – August 1988**

**Northeast Missouri State University (Now Truman State University)**

Graduate Teaching and Research Assistant

Student Clinician: Gutensohn Clinic / Public School Practicum

**CLINICAL EXPERIENCE:**

- Responsible for the provision of diagnostic, therapeutic, and consultative services for children preschool through adolescents with speech and language literacy disorders, including dyslexia. Settings include office and school-based programming for preschool through school-aged and home based programming for toddlers and infants. In-the-classroom programming provided when appropriate and available.
- Clinical specialty includes effective research-based intervention techniques including: contextualized speech-language intervention for students experiencing listening/reading, oral/written expression difficulties due to speech-language-literacy impairments including dyslexia, early childhood speech language delays, non-verbal learning disabilities, and autism spectrum disorders including Asperger syndrome
- Responsible for the development of the Department of Therapeutic Reading Service at SLLS, Inc. Trained in Orton-Gillingham based remediation program (SPIRE) along with other intervention programs that benefit students with language-literacy disorders/dyslexia (Lindamood-Bell Visualizing and Verbalizing® and Seeing Stars®, Rite Flight Reading Fluency and Comprehension®, Step Up to Writing®, Fast ForWord® Auditory Training Program and Reading Assistant® of Scientific Learning®). Responsible for the hiring and direct supervision of SLLS Certified Academic Language Therapist responsible for providing therapeutic reading services to individuals with language literacy disorders/dyslexia via the Take Flight Model: A Comprehensive Intervention for Students with Dyslexia. Certification received following completion of two year training at the Luke Waites Center for Dyslexia and Learning Disorders at Texas Scottish Rite Hospital for Children.
- Responsible for the development of the Social Communication programming at SLLS, Inc. The first individual in the state of Missouri to complete the Michelle Winner-Garcia's mentor training program in Social Thinking™, a cognitive behavioral approach to supporting the development of students social communication skills. Extensive follow up training via attendance at National Providers Conferences and workshops across the nation.
- Responsible for the development of the Meridian Academy enrichment services at SLLS, Inc. Training in the Paraphrasing and Summarizing Strategy, the Inferencing Strategy and LINC'S Vocabulary Strategy from Strategic Intervention Model (SIM)™ -KU Center for Research on Learning and Step Up to Writing Instruction and Curriculum®
- Provide extensive consultative services to area schools in bi-state region. Emphasis on school-age therapy services implemented through a collaborative model where special service providers work closely with administrators, educators, and parents to ensure least restrictive programming for students
- Provide collaborative support to school personnel for children with speech-language-literacy impairments in inclusive educational environments
- Provide parent and teacher education on speech-language development and techniques to facilitate generalization of skills to the home and school settings
- Extensive consultations with area pediatric neurologists, pediatric neuro-developmental psychologists, clinical and

educational psychologists, child psychiatrists, occupational therapists, reading specialists, special educators, and other special service providers to ensure differential diagnosis and optimal service delivery

- Developed and published 4 workbooks (*Pathways for Learning*) of visual organizers for use in therapy and educational settings for vocabulary development, literature and content area concept development, grammar and writing, social reasoning, and classroom organization and therapy planning
- Piloted a “Collaborative Therapy Model” for provision of speech-language services for Special School District of St. Louis County which was recognized by ABC news affiliate in St. Louis with a “Class Act” Award January 1992
- Planned and sought state approval for “Class-Within-A-Class” therapy model for fourth grade classroom; Implemented “Class-Within-A-Class” program daily within 4<sup>th</sup> and 7<sup>th</sup> grade levels
- Participated as a member of elementary and secondary school “Care Teams” responsible for the screening, referral, and support of educators and their students at academic risk
- Collaborate with regular and special educators in modifying and paralleling curriculum for students receiving “inclusive” intervention
- Responsible for conducting speech-language screenings and evaluations
- Responsible for writing and presenting screening and diagnostic reports as chairperson and team member of multi-disciplinary team
- Responsible for Individual Educational Programs, parent conferences, formulation of goals and objectives, implementation of remediation, progress reports, dismissal decisions, and Extended School Year Programs
- Collaborated with professional in order to provide services to students participating in several special programs: Resource Room, Self-Contained with Integration, Classroom for the Hearing Impaired, and Classroom for Students with Behavior Disorders, Self-Contained Cross-Categorical, and Early Childhood Self-Contained Language Classroom
- Responsible for teaching “IEP English” class for middle school-aged students
- Provide consultative services with grade level teams reflecting middle school philosophy, planning and implementation of various language-learning and test-taking strategies
- Provide extensive consultative services to parents and educational staff in adapting and modifying presentation of curriculum and developing alternative means of evaluating student performance
- Participated as a member of Neuro-Developmental Diagnostic Program where multi-disciplinary evaluation services were provided for children with suspected developmental delays
- Provided diagnostic and treatment services to pediatric patients within the neonatal intensive care unit
- Participated as a team member of the Neonatal Follow-Up Program: offered scheduled speech-language screenings for infants discharged from NICU for ages four months to seven years
- Participated as a multi-disciplinary team member of Parent-Infant Program providing infants (birth to 22 months) and their families’ services to enhance children’s development
- Played role in reorganizing St. John’s Early Childhood Program and providing classroom-based speech-language services for children ages 3 to 5 years

**ADMINISTRATION AND SUPERVISORY EXPERIENCE:**

- Responsible for the hiring and supervision of several professionals including licensed speech-language pathologists, a certified reading specialist/academic language therapist, licensed speech-language pathology assistants, and office administration staff
- Supervise provision of diagnostic and therapy services, compliance of records, reports, and required continuing education for licensed speech-language pathologists on staff with SLLS, Inc.
- Supervise provision of reading screenings and therapeutic reading services, compliance of records, reports, and required continuing education for certified reading specialist/special educator on staff with SLLS, Inc.
- Supervised clinical fellows completing requirements for certificate of clinical competence
- Responsible for acquisition and review of all evaluation and therapy materials
- Responsible for implementation of the Fast ForWord Program®, What’s the Word?® vocabulary building program, Visualizing and Verbalizing® groups, Step Up to Writing®, and Social Communication Services offered by SLLS, Inc.
- Responsible for the timely and accurate processing of all referrals for appropriate diagnostic and therapy services
- Supervised graduate students completing clinical and public school practicum
- Responsible for development of annual budget
- Responsible for decision making and monitoring of all administrative duties related to day-to-day business operations and transactions

### CONVENTIONS:
